

Holiday Gift Jars

Overview

Would your child or teen like to help prepare holiday gifts?

If so Chef-K can help you.
Holiday Gift Jars could be a wonderful choice.

Course

Let your child or teen prepare a colorful edible gift.

Want to have a sweet treat for unexpected holiday guests?
Want something homemade for the holidays to give away?

As an alternative to baking the cookies, children prepare a cookie mix in a mason jar. We do it all for you; shop, plan the recipes, and help your child or teen prepare the jar as a gift ready to give to friends and family. Jars have colorful fabric lid cover, ribbon, recipe and tag.

These classes can be offered for holidays such as Christmas, Valentines, Easter, and more.
